

MAJESTIC INN & SPA

September Artist

The Majestic is proud to feature art by Lance Ekhart during the month of September. Ekhart discovered his passion at an early age of combining science and the art of photography. He is definitely a nature lover of both land and sea. Lance lives on his boat in Anacortes and always has a camera close at hand! Photography is his way of bringing attention to the magic and mystery of our diminishing wildness, hopefully encouraging its preservation.

CHAD BUSHNELL

Award winning Inspirational country artist, Chad Bushnell grew up singing the national anthem at numerous rodeos, football games and other events as well as singing with his great grandmother at church. He has opened for some big names in the industry including Kris Kristofferson, Scotty McCreery, Lee Brice, Tracy Lawrence, Neil McCoy, Billy Currington, Mark Wills, Collin Raye, Mark Chesnutt, Jerrod Neimann, Tyler Farr and Exile.

Enjoy our beautiful rooftop views, Listen to some great music, hear some songs from Chad's latest album, "Rodeo Dance" and benefit **BOYS & GIRLS CLUBS OF SKAGIT COUNTY**
